

School-Parent Compact

Peek's Chapel Elementary School

School Year: 2023 – 2024

Revision Date: April 26, 2023

Dear Parent/Guardian,

Peek's Chapel Elementary School students participating in the Title I, Part A program, and their families, agree that this School-Parent Compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Peek's Chapel Elementary partnered together to develop this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring of each year to review the School-Parent Compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the Annual Title I Parent & Family Engagement Survey that is also used as a tool to collect parent feedback regarding the current Title I programs and plans.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.
