

TITLE I ANNUAL MEETING

UNDER
ELEMENTARY AND SECONDARY EDUCATION
ASSISTANCE ACT OF 1965
PRESENTED BY
ROCKDALE COUNTY SCHOOL SYSTEM
OFFICE OF FEDERAL PROGRAMS

THE EVERY STUDENT SUCCEEDS ACT

The *Every Student Succeeds Act*, commonly referred to as ESSA, was signed into law in 2015. ESSA, which earned bipartisan approval in Congress, freed states from their *No Child Left Behind* (NCLB) waiver agreements and entrusted them with the responsibility to develop their own state plans to support education.

ESSA significantly scaled back the authority of the U.S. Secretary of Education and U.S. Department of Education. That said, though ESSA gave states additional authority and flexibility over their education systems, wholesale flexibility was not granted. The requirements of the law vary in specificity from issue to issue, with significant flexibility granted in some areas while in others (such as testing), many of the federal requirements introduced in *No Child Left Behind* remain.

THE EVERY STUDENT SUCCEEDS ACT

In creating Georgia's state plan, the state sought out maximum flexibility while creating a cohesive and aligned plan that is responsive to the feedback received from educators, parents, students, business/industry representatives, and community members. The resulting plan strongly supports the State's vision of *offering a holistic education to each and every child in the state*.

The Every Student Succeeds Act gave Georgia an opportunity to *reflect on* and *refine* previous education reforms and engage Georgians in a meaningful way to chart out the future of education in our state – together.

At the center of the plan is a common framework of improvement that places the “Whole Child” at the center, thereby focusing and organizing the work of the Department and engaging partners in the improvement process. Indicators included in our accountability system go beyond just test scores, allowing us to capture a more holistic view of district and school performance. A more personalized approach is embodied in the state's long-term educational goals and accountability system, providing ambitious but attainable targets for groups of students, while rewarding schools that move students academically from one level to the next.

THE EVERY STUDENT SUCCEEDS ACT

This plan supports the alignment of tools, resources, initiatives, programs, and efforts so they work in a more effective and efficient way to ultimately impact the classroom. The cornerstones of this plan are *strengthening the teaching profession* and *building the capacity of leaders through quality feedback, support, mentorship, and professional learning*.

Thank you for being a part of the development of Georgia's state plan.

Georgia's School Superintendent

TITLE I – PROGRAM OVERVIEW

- **Title I Part A is a federal program providing supplemental resources to Local Educational Agencies (school districts), assisting students in poverty to meet challenging state academic standards. In order to access these funds, schools must have a poverty threshold of at least 40% based on free and reduced lunch application. Schools that rank into Title I deliver supplemental services through a Targeted Assistance Program (TAP) or Schoolwide Program (SWP) model.**
- **Supplemental funds are over and above the general revenue funds the districts and schools receive to support the base programs. They are funds which are granted to districts and to schools for specific program purposes and must be used only to support and enhance the district's and school's regular program.**
